

SANJEEVAN ENGLISH MEDIUM SCHOOL

MATHS CLUB

Mathematics is the science that deals with the logic of shape quality, quantity and arrangement. Maths is all around us in everything we do. It is the building block for everything in our daily lives including mobile devices, architecture, art, money, engineering and sports.

Objectives

- To apply mathematics in day to day life.
- To develop mathematical skills.
- To apply Mathematics beyond textbooks.
- To understand Mathematics through games, activities and competitions.
